Dear Sir or Madam,

I recently had the pleasure of working with Erkut Aldeniz, Senior Travel Consultant and Professional National Tour Guide. Erkut prepared and accompanied a recce for our team in April 2010, consisting of producer Mario Kassar, director Paul Verhoeven, his consultant Jindra Markus and myself.

We were all impressed by Erkut's well organised and researched itinerary of Kemal Ataturk's route during the Turkish War of Independence. As a result we were able to follow a chronologically consistent route, visiting a large number of museums and places of interest across Turkey within 6 days of intense travel. Mr Aldeniz's knowledge of the history of the war and its aftermath was excellent, detailed and precise.

We would welcome the chance to work with him again and wish him all the best for his future projects.
