**To Whom It May Concern**

This is to confirm that we have known and used his services as a Senior Travel Consultant for over ten years – August 2000 to the present. It gives me great pleasure to recommend this bright, honest, self-motivated and successful person. He has shown great initiative and helped Elixir Holidays build up its excellent reputation in Turkey. His work is of the highest European standards.

Erkut's managerial skills have been tested consistently over the years and he has shown great maturity and firmness as well as sympathy and support when required. As a Senior Travel Consultant, he has contributed, in a significant manner, in building up the private tour section of our company which saw a year on year growth and has made it the success that it is today.

Erkut can manage and deal with many situations which demand excellent English, motivational and staff management skills and professionalism. He would be an asset to any size organisation wishing to build on it travel consultancy. Should you require any further information, please do not hesitate to contact me.

Yours faithfully

Ali Barchman  
Managing Director
