Dear Erkut,

Re: Classical Turkey - May 2010

Thank you for sharing your knowledge and insights into the history of Turkey and into Turkish life. I am pleased that you were so patient with all of my questions. This added great value to our tour. All of the tour arrangements were flawlessly handled.

Thanks also for all the restaurants you chose for us. We certainly enjoyed the food you ^{selected} ~~chose~~ for us. It definitely made the trip more memorable.

In deep appreciation
