Dear Mr. Aldeniz:

The Turkish Coalition of America President Lincoln McCurdy and I would like to thank you and Nezh Bey on behalf of our Native American guests for the warm hospitality, professionalism and the excellent service you have rendered during our stay in Ankara.

Both Mr. McCurdy and I sincerely valued your professionalism and guidance during the trip. Our guests were in extremely good hands and were able to enjoy the trip immensely due to your oversight and personal attention to all the details involving transportation and sightseeing.

As you know, Ankara was the last major stop in our three-week tour to Turkey, and therefore, was of vital importance to leave a lasting positive impression on our guests. Thanks to your dedication and hard work in Ankara and in Cappadocia, our guests have left Turkey with fond memories and a keen willingness to come back.

Again, we thank you for your invaluable help and look forward to many collaborations and partnerships on future trips.

Sincerely yours,

Zeynep Guven
