

Erkut,

Firstly I want to thank you for being our guide during those days in Turkey. Your knowledge of all of the sites and facts and figures and history gave added depth and enjoyment to the trip.

But what I liked most was that I unexpectedly found in you a kindred spirit and, in such a short time, a friend.

Let us know if you ever make it to Brasil. We will certainly let you know if we ever return to Turkey.

Jim & Patricia Alijanti
