

Sept. 29, 2012

Dear Erkut,

Thank you so very much for making this tour so exceptional. Your knowledge is amazing and you have a very special skill in sharing it.

You went out of your way to find a Pharmacy (twice) for me and assured I got the correct medicine. I am very grateful.

I will recommend you to anyone who comes to Turkey. My best to you and your lovely wife. It was a pleasure to tour with you. Pat Mandel
